6. ROLE OF THE STATE GOVERNMENTS

6.1 All the OBC/EBC/DNT students with annual income of up to Rs 2.50 lakh per annum would be eligible under the scheme. However, the State Government will additionally make special efforts to identify the poorest households from various sources and enroll the eligible students under the scheme in a mission mode. Further, these students would be monitored on regular basis so that they continue with their studies. Such students shall include (i) students from OBC/EBC/DNT households with three or more deprivations as per SECC-2011 (ii) students from OBC/EBC/DNT households where one or both the parents are illiterate and (iii) the students who have passed 10th standard from a State Government/ Municipality/Local Body school. In this regard, States/UTs will launch special campaigns to identify and cover such students.

6.2 States/UTs may adopt methodology suitable to the local conditions for identification of such students e.g. OBC/EBC/DNT majority districts /blocks/villages may be taken first for identification of poorest students or students leaving class 10th or 12th class may be tracked in association with the education department or data emanating from other Central/State schemes indicating the dropouts rates or other sources as deemed fit. Every State Government shall undertake a campaign every year in March/April to identify such students and mentor them to enroll and avail scholarships. Such students will be helped for identification of courses also as per their skills.

6.3 Awareness drive shall be undertaken by the State Governments/UTs about the scheme through the Gram Panchayats Notice Boards, school committees, and discussions in the parent-teacher association meetings and other public awareness measures, in order to extend its coverage and also minimize any misuse by unscrupulous elements.

6.4 The States are required to take up identification of the students for fresh enrolment by taking up systematic drive covering all the higher secondary schools and encouraging the pupils who have dropped out after Class 12th to come back to higher education.

6.5 It is essential that the fresh enrolments to the extent possible are made in the courses which are having employment potential. For this purpose, the State may do an exercise in consultation with the Higher Education Department of the State Government, and the State Skill Mission for identifying courses which would improve the employment potential of the students. It is strongly advised that fresh enrolment may be made in these courses. Such skill courses should be long term courses with periodicity of at least 1 year and conducted by the institutions as per Para 4 of the scheme guidelines.

6.6. State Government will ensure that the beneficiary, at the time of admission, applies for the scholarship also. In this regard, the State Government may open facilitation centers or nominate a nodal officer in the educational institutions so that the entry into the student database for renewals and fresh admissions can be done in a stipulated timeframe.

6.7 The State Governments shall strive to put in place a scholarship portal that has all features and share the data on a real-time basis with the Central portal.

The States shall preferably release the payments through PFMS System so that the accounts of the students are not required to be validated again.

12.3 Scholarship will not be paid for the period of internship/housemanship in the M.B.B.S course or for a practical training in other course if the student is in receipt of some remuneration during the internship period or some allowance/ stipend during the practical training in other course.

12.4 30% of the funds allocated earmarked for girl students and 5% for students with disabilities.

12.5 Depending on availability of funds, first preference in disbursement of scholarships would be given to students of Government Institutions and then to students of Government aided institutions and thereafter disbursement will be made to the students of unaided private institutions.

12.6 The Ministry of Social Justice vide notification number 428 dated Feb,16,2017 has notified Aadhaar as identity document under Section 7 of Aadhaar Act 2016 for all Scholarship Schemes w.e.f. 16th February 2017.

12.7 The authentication through Aadhaar would be compulsory at the time of renewals, if not provided earlier at the time of admission.

13. ANNOUNCEMENT OF THE SCHEME

13.1 All the State Governments/UT Administrations will announce starting from April, the details of the Scheme and invite applications by issuing an advertisement in the leading newspapers of the State and through their respective websites/ Scholarship portals and other modes of media. The applicant should submit the completed application to the prescribed authority on the portal specified for this purpose before the last date prescribed for receipt of applications.

14. 'FUNDS-LIMITED' NATURE OF THE SCHEME

14.1 Due to budgetary constraint and 'funds limited' nature of the existing Scheme, it is not possible for the Central Government to meet the entire demand of the States/UTs. Therefore, a Notional Allocation (NA) under the Scheme shall be conveyed at the beginning of the financial year to States/UTs in proportion to total population as per census. The States/UTs are expected to send proposals within the notional allocation.

14.2 States/UTs will sub-allocate their NA, district-wise and group-wise, for all non-professional courses. Such sub-allocation would not be necessary for professional courses, as institutions of professional education tend to be concentrated in major cities/centres. However, the State Government is expected to lay down criteria for selection for award of scholarship under both types of courses, professional and non-professional, to the extent of available funds, based on merit-cum-means.

14.3 States will earmark at least 25% of the total outlay under the Scheme for Group 4 courses which include Class-XI and XII and all other post-matriculation level non-degree courses, diploma courses in polytechnics etc. Such earmarking would encourage more target

students to join entry-level courses of tertiary education which would enable them subsequently to take up courses leading to higher qualifications.

14.4 Central assistance given to a State/UT would have to be first utilized to cover renewal cases (i.e. students already awarded scholarships during the previous years against Central Assistance), and only the balance amount left may be utilized to cover new cases.

14.5 The proposal for Central Assistance should be accompanied with the details of physical and financial progress in the prescribed proforma.

14.6 As the total demand of the States/UTs cannot be covered under the Central Assistance, the States/UTs shall provide remaining scholarship grants to the eligible students from their own budget.

15. FUNDING PATTERN OF THE SCHEME

15.1 There will be a 60: 40 sharing ratio between the Centre and States. For North Eastern States and for the states of Uttarakhand and Himanchal Pradesh the sharing ratio will be 90:10. For UTs without legislatures, 100% funds shall be provided by Centre. The central assistance for the scheme will be apportioned to States on pro-rata basis, based on total population and other such criteria. Accordingly, a notional allocation (NA) under the Scheme shall be conveyed at the beginning of each financial year to States/UTs, with the request to send proposals within the NA. The broad procedure followed is as below:

- a) At the beginning of each financial year, notional allocation(NA) of funds of States/UTs is made by this Ministry, from the overall annual outlay of the Scheme, on the basis of population of each State/UT.
- b) States/UTs will incur expenditure under the Scheme at least to the sum total of "Central Assistance or NA and matching State share".
- c) However, they would be free to allocate funds from the State-Plan, over and above the sum total of "Central Assistance or NA and matching State share" for funding additional scholarship under the Scheme. Any such additional expenditure will have to be borne by the State Government/UT Administration itself, and will generally not be eligible for reimbursement from the Centre. However, such additional expenditure incurred by a State /UT may be considered for reimbursement by the Central Government, to the extent of availability of savings (mainly from States which are not able to fully avail of their notional allocation, for any reason), towards the end of a financial year.

15.2 The entire scholarship amount - both from the State and Central Government - including the academic allowance and disability allowance, if any, will be paid directly into the account of the students or parents ONLY through DBT preferably through an Aadhaar Based Payment System (Aadhaar Payment Bridge-AePS).

15.3 The State Govt./UTs are required to adhere Deptt. of Expenditure, (MoF), GoI's OM No. 1(13)/PFMS/FCD/2020 dated 23.03.2021 regarding the procedure for release of funds under the Centrally Sponsored Schemes (CSS) and monitoring utilization of funds with a view to have more effective cash management and bring more transparency in the PEM. The procedure will be followed by all the State Governments and UTs regarding release and monitoring of funds under CSS.

15.4 The Ministry of Social Justice vide notification number 428 dated Feb,16,2017 has notified Aadhaar as identity document under Section 7 of Aadhaar Act 2016 for all Scholarship Schemes w.e.f. 16th February 2017. The authentication through Aadhaar would be compulsory at the time of renewals, if not provided earlier at the time of admission.

15.5 The implementation of the scheme would be in accordance with the provisions of GFR 2017. Submission of UC should be as per prescribed forms as per GFR, 2017. Further, as per provisions of rule 230(8) of GFR, 2017, all interest or other earnings against Grants-in-aid or advances released to any grantee institution should be mandatorily remitted to the Consolidated Fund of India immediately after finalization of accounts.

15.6 **Administrative Charges:** The administrative cost for administration, monitoring and evaluation shall be limited to 1% of the annual scheme cost. The cost would be utilized for development of portal, conduct of social audits, publicity and awareness or any other activity for the efficient implementation of the scheme.

16. IT FRAMEWORK

16.1 The scheme shall be run on an online platform with robust cyber security measures that would assure transparency, accountability, efficiency, and timely delivery of the assistance without any delays. The online portal would be suitably modified for this purpose.

16.2 If any State is already a running online portal that fulfils all the laid down parameters, they can continue with it, but share the data on real-time basis to the National Scholarship Portal or any other portal as specified by the Department of Social Justice & Empowerment in due course through instructions for enabling constant monitoring. Therefore, all States/UTs implementing the scheme will migrate to online processing of disbursement of scholarships, where not already done. The scholarship portal should mandatorily have the following features:

- a) The IT portal shall be integrated with the AISHE/UDISE portal for pulling the data about the institution in which the student has taken admission.
- b) At the time of registration for Freeship Card, every student should provide an Aadhaar ID/Aadhaar EID and other alternative form of ID as per this Ministry's notification no. 428 dated 16.02.2017 which will enable elimination of duplication and false claims. The Aadhaar authentication is mandatory in case of renewals, if not provided at the time of admission. The Aadhaar number entered by the students should go through demo-auth on real-time basis before allowing entry into the registration portal.
- c) The States shall undertake fool-proof verification of the eligibility, caste status, Aadhaar identification and bank account details on the online portal.
- d) There shall be no upload of any documents or any certificates into the system. All data should be auto-verified by linking databases through digilocker or any such mechanism, such as (i) school boards' results, including the CBSE/ICSE along with the certificates maintained by them; (ii) database of income certificates, domicile and caste certificates issued by State/District Administration and (iii) databases maintained by the Universities and Colleges, using Aadhaar number as the link.
- e) All verification process of the students should be done using the above authenticated databases automatically using the digital process with little or no manual intervention. There should be no system of verification by the institutions or even the district level officers. Till such time such a system is put in place, the manual verification shall be completed within 30 days from the date of application, with a provision for 'presumed approval' if the same is not completed within 30 days.
- f) A suitable system will be put in place for taking Aadhaar based attendance system which is non-intrusive and automatic. Till such a system is finalized by the Central Govt., the institution shall upload the attendance of the scholarship holder every month in the Attendance module that would be developed in the IT system.
- g) There shall be no system of calling for the bank account details of the students and authenticating it. All payments should preferably go through Aadhaar Based Payment System (APB - Aadhaar Payment Bridge) after checking the Aadhaar number with the NPCI mapper.
- h) The renewals should be automatic based on promotion to the next class and having the required attendance, subject to confirmation of the student having joined back the same course as hosteller/day scholar, as the case may be. There should not be any requirement for the student to apply for renewals.
- i) A performance module to monitor the progress of student as well as performance of the institution should be suitably designed and incorporated.

j) Apart from this, the States shall maintain a complete database of the beneficiaries under various other scholarship schemes to ensure de-duplication of the beneficiaries.

k) The portal shall incorporate an online grievance redressal mechanism linking all the authorities responsible for implementation on the scholarship portal.

3. SCOPE

The scholarship is to be awarded for studies in India in a government or private higher secondary school/college/university, including such residential institutes of the Government and eligible private institutes selected and notified in a transparent manner by the State Government/Union Territory Administration concerned. It will also cover technical and vocational courses in Industrial Training Institutes/ Industrial Training Centres affiliated with the National Council for Vocational Training (NCVT) of classes XI and XII level including Polytechnics and other courses (any course of less than one year duration is not covered under this scheme; Certificate courses are also not covered).

The distribution of scholarship among the States/Union Territories will be made on the basis of population of minorities in the States/Union Territories as per Census 2001 for 2017-18 and as per the population of minorities in the States/Union Territories of Census 2011 for 2018-19 and 2019-20 (as per Appendices- A & B).

- ii) If the physical target of scholarship for a particular minority community in a state/UT is not utilized, it will be distributed among the same minority

community in other States/UTs strictly in accordance with merit and without disturbing the national ratio. Any unutilized community quota shall be distributed amongst other communities again in accordance with merit and without affecting the overall national quota.

- iii) A student residing in a particular State/UT will be entitled for scholarship under the quota of that State/UT only irrespective of his/her place of study.
