11.3 If, according to the Regulations of a University/Institution, a student is promoted to the next higher class even though he/she may not have actually passed in lower class and is required to take examination of the junior class again after sometime, he/she will be entitled to scholarship for the class to which he/she is promoted if the student is otherwise eligible for scholarship. Further, in case a student fails in any class and then again joins the same class as a regular student, he/she will be eligible for scholarship for one additional year or the actual period, whichever is lower.

11.4 If a scholar is pursuing Group I course fails in the examination for the first time, the award may be renewed. For second and subsequent failures in any class the student shall bear his/her own expenses until he/she secures promotion to the next higher class.

12. PAYMENT MECHANISM

12.1 The scholarship portals would remain open throughout the year so that all eligible students can register for the Freeship Card and apply for the scholarships.

12.2 The entire scholarship amount - both from the State and Central Government - including the tuition fees, academic allowance and any other admissible allowance will be paid directly into the account of the students ONLY through DBT preferably through an Aadhaar Based Payment System (Aadhaar Payment Bridge) from 2021-22 . The States shall preferably release the payments through PFMS System so that the accounts of the students are not required to be validated again.

12.3 Scholarship will not be paid for the period of internship/housemanship in the M.B.B.S course or for a practical training in other course if the student is in receipt of some remuneration during the internship period or some allowance/ stipend during the practical training in other course.

12.4 30% of the funds allocated earmarked for girl students and 5% for students with disabilities.

12.5 Depending on availability of funds, first preference in disbursement of scholarships would be given to students of Government Institutions and then to students of Government aided institutions and thereafter disbursement will be made to the students of unaided private institutions.

12.6 The Ministry of Social Justice vide notification number 428 dated Feb,16,2017 has notified Aadhaar as identity document under Section 7 of Aadhaar Act 2016 for all Scholarship Schemes w.e.f. 16th February 2017.

12.7 The authentication through Aadhaar would be compulsory at the time of renewals, if not provided earlier at the time of admission.

13. ANNOUNCEMENT OF THE SCHEME

13.1 All the State Governments/UT Administrations will announce starting from April, the details of the Scheme and invite applications by issuing an advertisement in the leading newspapers of the State and through their respective websites/ Scholarship portals and other modes of media. The applicant should submit the completed application to the prescribed authority on the portal specified for this purpose before the last date prescribed for receipt of applications.

14. 'FUNDS-LIMITED' NATURE OF THE SCHEME

14.1 Due to budgetary constraint and 'funds limited' nature of the existing Scheme, it is not possible for the Central Government to meet the entire demand of the States/UTs. Therefore, a Notional Allocation (NA) under the Scheme shall be conveyed at the beginning of the financial year to States/UTs in proportion to total population as per census. The States/UTs are expected to send proposals within the notional allocation.

14.2 States/UTs will sub-allocate their NA, district-wise and group-wise, for all non-professional courses. Such sub-allocation would not be necessary for professional courses, as institutions of professional education tend to be concentrated in major cities/centres. However, the State Government is expected to lay down criteria for selection for award of scholarship under both types of courses, professional and non-professional, to the extent of available funds, based on merit-cum-means.

14.3 States will earmark at least 25% of the total outlay under the Scheme for Group 4 courses which include Class-XI and XII and all other post-matriculation level non-degree courses, diploma courses in polytechnics etc. Such earmarking would encourage more target

students to join entry-level courses of tertiary education which would enable them subsequently to take up courses leading to higher qualifications.

14.4 Central assistance given to a State/UT would have to be first utilized to cover renewal cases (i.e. students already awarded scholarships during the previous years against Central Assistance), and only the balance amount left may be utilized to cover new cases.

14.5 The proposal for Central Assistance should be accompanied with the details of physical and financial progress in the prescribed proforma.

14.6 As the total demand of the States/UTs cannot be covered under the Central Assistance, the States/UTs shall provide remaining scholarship grants to the eligible students from their own budget.

15. FUNDING PATTERN OF THE SCHEME

15.1 There will be a 60: 40 sharing ratio between the Centre and States. For North Eastern States and for the states of Uttarakhand and Himanchal Pradesh the sharing ratio will be 90:10. For UTs without legislatures, 100% funds shall be provided by Centre. The central assistance for the scheme will be apportioned to States on pro-rata basis, based on total population and other such criteria. Accordingly, a notional allocation (NA) under the Scheme shall be conveyed at the beginning of each financial year to States/UTs, with the request to send proposals within the NA. The broad procedure followed is as below:

- a) At the beginning of each financial year, notional allocation(NA) of funds of States/UTs is made by this Ministry, from the overall annual outlay of the Scheme, on the basis of population of each State/UT.
- b) States/UTs will incur expenditure under the Scheme at least to the sum total of "Central Assistance or NA and matching State share".
- c) However, they would be free to allocate funds from the State-Plan, over and above the sum total of "Central Assistance or NA and matching State share" for funding additional scholarship under the Scheme. Any such additional expenditure will have to be borne by the State Government/UT Administration itself, and will generally not be eligible for reimbursement from the Centre. However, such additional expenditure incurred by a State /UT may be considered for reimbursement by the Central Government, to the extent of availability of savings (mainly from States which are not able to fully avail of their notional allocation, for any reason), towards the end of a financial year.

15.2 The entire scholarship amount - both from the State and Central Government - including the academic allowance and disability allowance, if any, will be paid directly into the account of the students or parents ONLY through DBT preferably through an Aadhaar Based Payment System (Aadhaar Payment Bridge-AePS).

15.3 The State Govt./UTs are required to adhere Deptt. of Expenditure, (MoF), GoI's OM No. 1(13)/PFMS/FCD/2020 dated 23.03.2021 regarding the procedure for release of funds under the Centrally Sponsored Schemes (CSS) and monitoring utilization of funds with a view to have more effective cash management and bring more transparency in the PEM. The procedure will be followed by all the State Governments and UTs regarding release and monitoring of funds under CSS.

15.4 The Ministry of Social Justice vide notification number 428 dated Feb,16,2017 has notified Aadhaar as identity document under Section 7 of Aadhaar Act 2016 for all Scholarship Schemes w.e.f. 16th February 2017. The authentication through Aadhaar would be compulsory at the time of renewals, if not provided earlier at the time of admission.

15.5 The implementation of the scheme would be in accordance with the provisions of GFR 2017. Submission of UC should be as per prescribed forms as per GFR, 2017. Further, as per provisions of rule 230(8) of GFR, 2017, all interest or other earnings against Grants-in-aid or advances released to any grantee institution should be mandatorily remitted to the Consolidated Fund of India immediately after finalization of accounts.

15.6 **Administrative Charges:** The administrative cost for administration, monitoring and evaluation shall be limited to 1% of the annual scheme cost. The cost would be utilized for development of portal, conduct of social audits, publicity and awareness or any other activity for the efficient implementation of the scheme.

16. IT FRAMEWORK

16.1 The scheme shall be run on an online platform with robust cyber security measures that would assure transparency, accountability, efficiency, and timely delivery of the assistance without any delays. The online portal would be suitably modified for this purpose.

16.2 If any State is already a running online portal that fulfils all the laid down parameters, they can continue with it, but share the data on real-time basis to the National Scholarship Portal or any other portal as specified by the Department of Social Justice & Empowerment in due course through instructions for enabling constant monitoring. Therefore, all States/UTs implementing the scheme will migrate to online processing of disbursement of scholarships, where not already done. The scholarship portal should mandatorily have the following features:

- a) The IT portal shall be integrated with the AISHE/UDISE portal for pulling the data about the institution in which the student has taken admission.
- b) At the time of registration for Freeship Card, every student should provide an Aadhaar ID/Aadhaar EID and other alternative form of ID as per this Ministry's notification no. 428 dated 16.02.2017 which will enable elimination of duplication and false claims. The Aadhaar authentication is mandatory in case of renewals, if not provided at the time of admission. The Aadhaar number entered by the students should go through demo-auth on real-time basis before allowing entry into the registration portal.
- c) The States shall undertake fool-proof verification of the eligibility, caste status, Aadhaar identification and bank account details on the online portal.
- d) There shall be no upload of any documents or any certificates into the system. All data should be auto-verified by linking databases through digilocker or any such mechanism, such as (i) school boards' results, including the CBSE/ICSE along with the certificates maintained by them; (ii) database of income certificates, domicile and caste certificates issued by State/District Administration and (iii) databases maintained by the Universities and Colleges, using Aadhaar number as the link.
- e) All verification process of the students should be done using the above authenticated databases automatically using the digital process with little or no manual intervention. There should be no system of verification by the institutions or even the district level officers. Till such time such a system is put in place, the manual verification shall be completed within 30 days from the date of application, with a provision for 'presumed approval' if the same is not completed within 30 days.
- f) A suitable system will be put in place for taking Aadhaar based attendance system which is non-intrusive and automatic. Till such a system is finalized by the Central Govt., the institution shall upload the attendance of the scholarship holder every month in the Attendance module that would be developed in the IT system.
- g) There shall be no system of calling for the bank account details of the students and authenticating it. All payments should preferably go through Aadhaar Based Payment System (APB - Aadhaar Payment Bridge) after checking the Aadhaar number with the NPCI mapper.
- h) The renewals should be automatic based on promotion to the next class and having the required attendance, subject to confirmation of the student having joined back the same course as hosteller/day scholar, as the case may be. There should not be any requirement for the student to apply for renewals.
- i) A performance module to monitor the progress of student as well as performance of the institution should be suitably designed and incorporated.

j) Apart from this, the States shall maintain a complete database of the beneficiaries under various other scholarship schemes to ensure de-duplication of the beneficiaries.

k) The portal shall incorporate an online grievance redressal mechanism linking all the authorities responsible for implementation on the scholarship portal.

l) There shall be a provision indicating the students of the poorest households, as per the parameters provided under the Scheme, selected for scholarship.

m) The portal will make arrangements so that the students, once declared blacklisted, may not be able to apply for scholarship again.

17. ANNUAL ACTION PLAN
