On 02-05-2022 (Monday) a Career Counseling Program is started at Barbhag College Conference Hall. The chairperson Dr. Birinchi Choudhury, Principal is felicitated by the Coordinator, CGC with a traditional Assamese phulam gamucha. The Resource Persons Mr. Abhijit Bhattacharya (Director) and Mrs. Prastuti Parasar (Actor) of the program is also felicitated by the Coordinator Dr. Manik Chandra Nath, CGC & Assistant Professor, Department of History, Barbhag College. The welcome addressed delivered by the principal of the college and Dr. Anupam Durta, Coordinator, IQAC, Barbhag College anchoring the entire program. Mr. Abhijit Bhattacharya (Resource Person) delivered his valuable speech on the topic film as a career for our young youth students. He also talked that every sector of the film industry have a scope to establish yourself in this field. He told that from the childhood we have to do so many things as actor but in real sense we all are not chose this as our goal. So, we have needed to rethink and take mass communication courses for fill up our desire as an actor. He wished that new generation can try to make them success in the film industry in forth coming years. Dr. Anupam Dutta, Coordinator, IQAC introduced Resource Person Prastuti Parasor (Actor) on the dice and she delivered her topic oriented subject. 'Acting is not an easy job' said Prastuti Parasor. She explained some important moments of her life how she became as actor. Now a day, there are so many scope in this industry rather than past but our young students are not interested to make their goal as an actor. She stated that in our state young educated students take different goal in life but they not choice as an actor. Parasor gave an outlook of the theater and TV program and it gave glamour in life. She also talks about some acting scale for adoption by her in last 20 years in this field. Lastly, the coordinator offered vote of thanks to the entire guest

**Online One Day Students' Webinar on  
New Avenues after B.Sc.  
Organised by  
Faculty of Science, Barbhag College  
In Association with  
Institute for Advanced Studies (IFAS), Pune**

**Date: 30.05.2022**

**Venue: Barbhag College  
Google Meet Platform**

An online students' webinar was organized by the Faculty of Science, Barbhag College in association with Institute for Advanced Studies (IFAS), Pune on 30.05.2022. The webinar was conducted on Google Meet Platform and was joined from Pune by the Resource Person Ms. Pratiksha Sen from IFAS. A total number of 37 B.Sc. students and 12 teachers took part in the webinar.

The webinar started at 12.00 p.m. with the Vice Principal of Barbhag College Dr. Karuna Baruah delivering the Welcome Address of the webinar which was moderated by Dr. Anupam Dutta, Coordinator, IQAC, Barbhag College. In her talk Ms. Sen deliberated in detail on the different emerging avenues for higher studies and subsequent placement in respectable positions. Ms. Sen informed the students that the conventional courses have already saturated as far as placement avenues are concerned. Therefore, students will have to look for newer courses so that they can enter newer fields to seek good jobs that may also give them job satisfaction. Ms. Sen said that avenues in Bio-Technology, Robotic Science, and Telemedicine etc. are some of the fast emerging areas that have lots of openings. She also informed the students about the universities and institutes which offer these new courses and programmes.

The resource person's talk was followed by interactive session. A number of students put important questions to the resource person with regard to the strategies for preparing for admission into these emerging programmes. The resource person Ms. Sen elaborately answered all the questions put by the students.

The Coordinator of the Programme Dr. Rantu Moni Deka gave the Vote of Thanks. The webinar concluded at 2.30 p.m.

Respected Sir/Madam ,

We, The Institute for Advanced Studies (IFAS), India's No.1 Institute for CSIR-NET, SET, GATE, IIT-JAM, UGC NET exams. A best ever place for Life Science, Chemical Science, Physical science and Mathematical science Computer science and Management focusing on the success of Aspirant's, who want to make their career in Academic and Research, from 2002 (20 years).

We want to conduct a free and online, career counselling webinar for the students of BSc, MSc, Management & Computer Science where we want to guide them for further opportunities.

Our aim is to focus on the topic, "The Strategizing and planning for competitive exams After BSc, MSc, management and computer science so that students can kick-start their preparation for competitive exams. This is totally for the betterment of the students' knowledge and not for the advertisement. We are not going to do any type of advertisement in the webinar. We want to briefly guide them about what CSIR-NET, IIT-JAM, UGC-NET exams are? How will this be helpful for students? What needs to be their agenda? How they can prepare for this and much more.

Please kindly allow us to ignite the minds of students and conduct this webinar at your college. Students will get certificates and the webinar will be for 1 hour only.

Best Regards  
Snigdha Das  
Business Development Executive

## **Workshop on Career Prospects after B.Sc. in Chemistry**

**Organised by Department of Chemistry, Barbhag College**

**Date: 14/06/2022**

**Resource Person: Dr. Rupam Sarma, Assistant Professor, Dept. of Chemistry, Nalbari College**

Today on 14/06/2022 a Workshop on Career Prospects after B.Sc. in Chemistry was organized by the Department of Chemistry, Barbhag College. The invitee Resource Person of the program was Dr. Rupam sarma, Assistant Professor, Dept. of Chemistry, Nalbari College. The workshop was organized mainly for the Chemistry Honors students. At the outset, Mr. Mukut Ch. Baishya, departmental faculty, delivered the welcome speech and explained the aims and objective of the workshop. Respected Principal, Barbhag college, Dr. Birinchi Choudhury delivered the inaugural speech and appealed the students to take the benefit from such a wonderful workshop. He also expressed his sincere gratitude to the invited Resource Person. About 41 nos of students both from Chemistry Honors and Generic Course along with all faculty member of the department participated in the workshop.

From the chair of the Resource Person, Dr Rupam Sarma broadly explained on the different job opportunities and career prospects in the various Chemistry related fields after completion of B.Sc. with Chemistry and M.Sc. in Chemistry. He highlighted on the chemistry related jobs in different fields like Oil sector, Cement industry, Metallurgical and paint industry, Cosmetic industry, forensic and food industry, Railway and many other related fields. He also provided many internet information links for job seeking students.

In the workshop Prizes were also distributed among the three best participants of Essay Competition held on 28/05/2022, organized by the Department of Chemistry. At the end of the workshop Mr. Gautam Baishya, departmental faculty, forwarded vote of thanks to the invited resource person, honorable Principal and participating students.
